

What we need

In order to complete your application we will need to verify your identity and address. Please take this Verification of Identity form and the following documents to a Bank or Building Society who will be able to verify your identity and address for us.

Please note each applicant will need to complete a separate Verification of Identity form.

You will need:

- Your passport or photographic driving licence; and
- Bank statement (dated within the last 6 months showing your current address)

If you cannot supply a Bank Statement we will only accept one of the following documents:

- Gas bill
- Electricity bill
- Water supply bill
- Home telephone bill (not mobile bills)

Documents we do NOT accept include internet print-outs, Credit Card statements, mobile phone bills and mortgage statements.

Take these documents to a Bank or Building Society along with the Verification of Identity form.

An alternative recommendation is to take your documents to the Garda for completion. Please ensure you do not work for the firm that is verifying your identity.

How to complete:

- The applicant should complete Section 1.
- The verifying firm should complete sections 2 and 3.
- The verifying firm should take photocopies of the applicant's passport/driving licence and bank statement/bill.
- The verifying firm should endorse (branch sort code stamp), sign and print their name on the photocopies of the passport and bank statement. These should be endorsed by the same person who completes sections 2 & 3.
- It is important to note that the firm who completes sections 2 and 3 of this form is asked only to verify your identity and address. It does not ask them to confirm your financial standing or provide a recommendation on your suitability for an account.
